

## **INSTITUTIONS IN THE DIOCESE** **Diocesan Educational Institutions**

Right from the very beginning Christian missionaries gave high priority for education for the converts. They opened schools wherever Christian communities were formed. Following the footsteps of the missionaries Most Rev. S.A. Aruliah, the first bishop of Kadapa determined to give education to the poor oppressed and the downtrodden and thus to bring about transformation into the Catholic community. He started schools in remote villages and upgraded the existing schools. All were done under his direct supervision. However, subsequent increase in the number of the schools and the resultant complexities of administration paved the way for decentralization. As a part of the decentralization process he started the Educational society in 1989 through which measures were taken to staff the schools with quality teachers by conducting entrance test for qualified candidates and appointments and transfers of staff were regulated and made transparent. Later on, for the smooth running of the Educational Management, in April 2001 Most Rev. M. Prakash, the Manager, reshuffled the educational system and appointed Rev. Fr. Devasahayam as Deputy Manager of Telugu Medium Schools of the Diocese of Kadapa and Fr. M.D. Prakasam as the Director for the Diocesan English Medium Schools and College.

### **ST. JOSEPH'S JUNIOR COLLEGE, MARIAPURAM, KADAPA**

The then Bishop of Kadapa Diocese Most Rev. S. A. Aruliah, took his most assiduous assistants Rev Fr. Amalnadhan and Rev. Fr. Arakkal, the inception correspondent and the principal respectively, and set out to start St Joseph's Junior College with just a few students and a fewer lecturers, on the campus of neighboring St Joseph's Telugu Medium School in 1980. at present there are about seventy members of teaching and non teaching faculty on the campus and more than two thousand students on the rolls. By virtue of the exalted office the Bishop of the Kadapa Diocese becomes the Manager of the college

The college has started with groups HEC and CEC and later in two years sciences MPC and BLPC were also introduced in Telugu and English media. In 1984, Rev. Fr. Y. Antony Raj, the visionary and zealous educationist, tireless par excellence, took charge as the principal and correspondent. The formidable combination of the Founder and the Principal, the institution has seen the giant strides in realizing the noble aims, dreams and objectives.

The hostel for boys was constructed in 1992 and named after the founder as "Bishop Aruliah Hostel" Thenceforth a boys' only institution, became a co-education college in 1993 and a hostel for girls was constructed and named as "Stella Maris Hostel, The hostels are maintained by the diocesan Fathers and the Kristhu Jyothi Sisters. And also, in the same year Father Crumblish Science Block was constructed. The Open access Library of the college was conveniently constructed in 1986 on the Administrative Building.

An array of vocational courses has been introduced in a phased manner Electronics Engineering Technician (EET) Medical Lab. Technician (MLT) have been introduced in 1991, and 92 respectively Computer Science Engineering (CSE) in 1997. Commercial Garment Making and Designing (CGDM) and Physiotherapy and X-Ray Technician in 2001, Office Assistantship (OA) and Multi Purpose Health Workers (MPHW) in 2003, Automobile Engineering Technician (AET) in 2005, Computer Graphics and Animation (CGA) and Construction Technology (CT) in 2011, have been introduced. Thus St. Joseph's has become a final destination of the district and the best address in the state for the vocational courses!

After the retirement of Most Rev. S. A. Aruliah, Most Rev. M. Prakash began his stint in the exalted position in 1998 under whose stewardship many watershed decisions were taken. A separate building for vocational courses was constructed and his lordship also assented the extension of the "Stella Mans Hostel". His short and sweet sojourn here ended and he exited to become the Bishop of Vijayawada Diocese

The Most Rev. Dr. Moses D. Prakasam who hails from Mariapuram parish, Kadapa, became the Bishop of Kadapa Diocese in 2002, who was reallocated to Diocese in Nellore in 2008 and his Successor Bishop Most Rev Dr. Gallela Prasad who hails from Kurnool Diocese has given the great impetus to all the constructive and developmental activity on the campus and ever since, St Joseph's Junior College has been treading strides toward mare ascending mien.

With the retirement of Rev. Fr. Y. Antony Raj, Rev. Fr. S. David was privileged to be the correspondent, who rendered his valuable service for three years. After him Rev. Fr. S.Balaswamy Reddy took over the correspondent ship and had begun his mark of development of the college. With the transfer of Rev. Fr. S.Balaswamy Reddy, Rev.Fr. L.Arogyaswamy became the correspondent of the college in 2020.
